

PR9360757_ QA HD Cameras

1. We would like to participate in this process, However the item requested (VIRB Ultra 30) it is not longer available. In addition you have other solicitation for batteries for this product. We searched for some equivalent on GoPro brand, but they don't have the same specifications. Could you let us know for which one would you replace exactly?

Answer: Please offer a similar product. The request was a VIRB Ultra 30 as a reference.

2. ¿Taking into account that the number of cameras required are not available in the country and must be imported, can be expected to extend delivery times?

Answer: No, please include in your proposal the delivery time you offer.

3. ¿The camera required according to its technical specifications is discontinued for Colombia according to what is indicated by the distributor at the National level, it is possible to present another camera that meets the requirements?

Answer: Please offer a similar product. The camera offered can exceed the minimum specifications.

4. ¿According to the delivery site this is related to the INL warehouse, there is another delivery point that has not been mentioned?

Answer: Refer to RFQ 6.0- DELIVERY AND MARKING INSTRUCTIONS
